

Public Notice: September 7, 2022

Request for Proposals

The Board of Trustees requests proposals for 2023 Safety Net and Children and Families mental health services funding. Application Deadline: before 12:00 Noon October 7, 2022. Applicant agencies are limited to 2022 Community Mental Health Fund Contractors.

First-time applicant agencies:

please see the community investment page of our website for pilot funding requirements and eligibility. All funding is limited to qualified, 501c)(3) charitable non-profit mental health organizations in Jackson County, Missouri.

How to Apply:

An electronic application is available for eligible applicants. To apply, log-in to our billing portal, use your current username and password. Contact us to request changes or create a new user.

Proposals can be saved in draft until finalized and submitted. Important updates for applicants:

- Billable service units have been updated.
- The required documents page of our website has the latest information, plus forms and information to assist applicants.
- Proposal instructions have changed. Managers, clinicians, and others involved in proposal submission should review the instructions and consider their responses to the new requirements as soon as possible.

Important dates:

- September 15 (date is tentative), 2022 at 10:00 AM: Pre-Proposal presentation, Q&A
- September 20 (date is tentative), 2022 at 5:00 PM: Deadline for applicant questions in writing. Responses will be posted within 24 hours.
- October 7, 2022 before 12:00 Noon: Application Deadline. Proposals and all attachments are electronic.
- November 9, 2022 (date is tentative) at 9:00 AM: Appropriations Committee will interview applicants for funding. Details to be announced.
